GLASS PRODUCTION TECHNOLOGIES & PROCESSES
INDIA

10-12 OCTOBER 2019

Hall 1
Bombay Convention &
Exhibition Centre
Goregaon (East)
Mumbai, India

INDIA'S PREMIER EXHIBITION FOR THE GLASS INDUSTRY

GROWTH PROPELLERS

- Rising levels of urbanisation.
- Higher disposable income.
- Rapid growth in its consumer base and one of the most youthful demographic profile.
- Low per capita glass consumption offering tremendous growth opportunity.
- Safety, security and energy conservation - new priorities for building designers.
- Growing popularity of value added glass products.

WHY INDIA...

- India is the fastest growing major economy in the world.
- GDP growth in 2015 - 7.3%. Expected to grow as high as 7.6% in 2016.
- It is the world's third biggest economy in terms of purchasing power parity (PPP).
- 10th most industrialized country in the world.
- Young population, informed central bank & growth oriented government.

WHY glasspex INDIA...

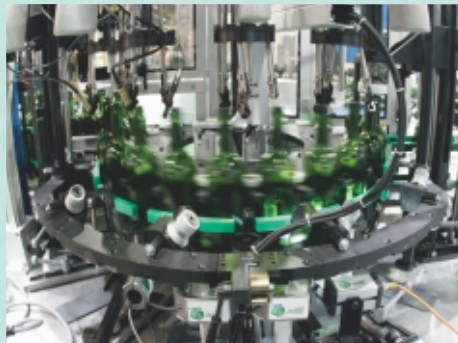

- Most efficient, platform to support technological communication & business trade.
- Clear definition of visitor target groups and extensive visitor marketing.
- Strong partner support from glasstec Düsseldorf, AIGMF & VDMA.
- High profile content driven conference to highlight key issues and developments
