

6th glasspex INDIA & 3rd glasspro INDIA brings latest trends & innovations in the Indian Subcontinent

Two of the India's premier events on the glass industry - **glasspex India & glasspro India**- will open their doors from **10-12 October, 2019 at Bombay Convention Centre- Mumbai India**. Leading companies from all the over the world will gather under one roof to display latest trends & innovations in glass production, processing and the best of processed glass products as well as to network with each other.

The 6th edition of glasspex India – International Exhibition for Glass Production, Processing and Products organized by Messe Duesseldorf India and supported by The All India Glass Manufacturers' Federation (AIGMF). On the other hand glasspro India is an annual event for the Flat Glass Industry showcasing the latest trends in flat glass processing and products is jointly organized by Messe Duesseldorf India and Glass Bulletin. Both the events are powered by Glasstec Duesseldorf, Germany – The world's leading exhibition on glass.

Together, these two exhibitions are spread over an area of 6000 sqm with over 220+ exhibitors from 8 countries including group participation from Germany, Italy and China.

Parallel to the events, The All India Glass Manufacturers' Federation (AIGMF) will organize its 13th biennial International Conference on "**Glass Industry 4.0**" from October 10-11, 2019. This high profile content driven conference, powered by Glass Worldwide, VDMA, glasstec Duesseldorf and Messe Duesseldorf India, will witness presentations by industry experts highlighting the developments in the glass industry and the challenges and key issues faced by it. Eminent speakers and delegates from both national & International companies will attend the two-day conference. Dave Fordham, Publisher, Glass Worldwide, London will be the moderator for international speakers.

The three-day event will also witness the 4th Glass Bulletin Awards (GBA) organized by Glass Bulletin and supported by Messe Duesseldorf India. GBA is the first-ever event of its kind which brings together players and stakeholders of the industry and acknowledges outstanding contributions and achievements made within the glass fraternity. Organized on 11th October 2019, the event will be attended by the Who's Who of the glass industry.
